RECYCLING BINS

EcoArc Recycling Bin

A slim hooded 80 litre recycling bin only 333 mm wide, with a steel liner and lock included.

Product code **777059743** | Capacity **80 litres**

80 L	333 mm	Steel	Lockable
capacity	wide	liner	as standard

Overview

A slim, hooded recycling bin only 333 mm wide, made for forecourts, walkways and other tight spots.

The oval aperture opens on both sides and takes a 4 litre screen wash bottle. The door slides open and the steel liner comes out with it.

Key features

- **Slim** 333 mm wide
- **Hooded** keeps rain out
- **Large oval aperture** both sides
- **Steel liner and lock** included
- **Linking kit** build a row

Where it is used

Petrol forecourts, supermarket car parks, station platforms, school entrances and narrow pavements.

Build a recycling point

Link several bins in different colours to make a complete recycling point.
