WHEELIE BINS

1100 Litre Flat Top Wheelie Bin

A large 1100 litre flat top wheelie bin to EN840, on four castors, for offices, commercial premises, factories and warehouses.

Product code **31812749** | Capacity **1100 litres**

1100 L	1450 mm	4 castors	EN840
capacity	height	2 with brakes	compliant

Overview

A large 1100 litre flat top wheelie bin for offices, commercial premises, factories, warehouses and housing blocks. The robust, DIN compliant flat lid suits many uses.

It is made from polyethylene to EN840 and resists acids, alkalis, fungi and bacteria. It moves on four 200 mm castors, two with brakes, and has a built-in handle. Options include locking lids, heavy duty or directional castors, reflective bands and custom branding.

Key features

- **Polyethylene** to EU standard EN840
- **Flat lid** DIN compliant
- **Four 200 mm castors** two with brakes
- **Fits DIN and AFNOR** bin lifting equipment
- **Locking lid options** slam, manual or pedal

Where it is used

Homes, offices, shops, schools, housing blocks, factories and warehouses.

Colour coding

A common scheme is **grey or black** for general waste, **green** for garden waste, **blue** for paper and card, **red** for plastics and **yellow** for cans and glass. Set it up to suit your own waste streams.
