RECYCLING BINS

Envirobin 100 Recycling Bin

A 100 litre square recycling bin with eleven lid options, for busy offices and public buildings.

Product code **556167240** | Capacity **100 litres**

100 L	445 mm	11	Links
capacity	square	lid options	with pods

Overview

A 100 litre recycling bin for busy offices, canteens and public buildings. Its square 445 mm footprint lines up neatly in banks.

With eleven lids to choose from you can set up a full recycling point from one range. WRAP colour coded lids and labels make each stream clear.

Key features

- **100 litres** capacity
- **Square footprint** 445 mm
- **Eleven lids** one range
- **Sack retaining rim** bag out of sight
- **Links with pods** build a hub

Where it is used

Offices, canteens, universities, hospitals, airports and leisure centres.

Grow into a hub

Add slimline side pods to build a larger recycling station around one bin.
