Overview

A lockable round litter bin with a 130 litre sack capacity. The open top suits busy drop-and-go spots.

The flip top keeps rubbish out of sight, keeps smells in and stops wasps getting at food waste, which makes it popular on forecourts and outside food outlets.

Key features

- **Up to 130 litres** sack capacity
- **Open or flip top** two styles
- **Lock** as standard
- **Five colours** to suit the site
- **Ballast or fixing** options

Where it is used

Petrol forecourts, drive-throughs, food outlets, car parks, parks and retail parks.

Open or flip top?

Open tops are quickest to use. Flip tops hide the contents and keep wasps away from food waste.
