RETAIL PROTECTION

2" Stainless Steel Wall Bump

A seamless brushed stainless steel bump rail on a shock-diffusing base, for counters, walls and fixtures.

Product code **62453984** | Top strip **2.4 m**

2"	2.4 m	Stainless	Flush
profile	strips	steel	to wall

Overview

This seamless stainless steel bumper sits flush to the wall and resists fingerprints, rust and direct hits by shopping trolleys.

Impacts are spread along the steel face and passed to a polycarbonate foundation. It is cut to length on site, so it fits almost any space.

Key features

- **Brushed stainless steel** modern, no maintenance
- **Shock-diffusing base** polycarbonate foundation
- **Modular system** cut to length on site
- **Flush to wall** seamless look
- **End caps and corners** in stainless steel

Where it is used

Supermarkets, convenience stores, food halls, retail stores, lift lobbies and serve-over counters.

Why stainless?

Stainless steel gives a clean, modern look on counters and food areas, and needs no maintenance.

Wall bump on a counter.
