IMPACT PROTECTION

Column Protection Pads – for Square Columns

Rectangular yellow and black PU foam pads, 500 × 200 × 20 mm, with steel reinforcing strips for square columns.

Product code **82156853** | Material **PU foam**

500 mm	200 mm	20 mm	Steel
long	high	thick	reinforced

Overview

These pads protect internal and external square columns in car parks, garages, warehouses and loading areas.

Moulded from flexible polyurethane foam with embedded steel reinforcing strips, each pad has four recessed fixing holes.

Key features

- **For square columns** corner pillars
- **Steel reinforcing strips** for secure fixing
- **Yellow and black** to DIN 4844
- **Space-saving** 20 mm profile
- **Indoor or outdoor** use

Where it is used

Warehouses, factories, loading bays, distribution centres, car parks and retail back-of-house areas.

Tip

Leaving a little clearance around the column corners improves the shock absorption.
