Overview

A double-walled oval bin with a front door that opens on a diagonal hinge, so the liner slides out without being lifted.

The extra wall makes it noticeably stiffer, ideal where bins get kicked and leaned on. A4 poster frames can be added for notices.

Key features

- **Double wall** extra stiffness
- **Diagonal hinge door** no lifting
- **Two apertures** walk-by access
- **Poster frames** A4 option
- **Two top styles** dome or stubber

Where it is used

Retail parks, shopping centres, hospitals, universities and business parks.

Built to take knocks

The double wall keeps its shape on busy sites where bins are leaned on and kicked.
