ORNAMENTAL BOLLARDS

# Double Collar Ornamental Bollard – 900 mm

A decorative steel bollard with a double collar top, galvanised for long life and available to concrete in, bolt down or remove.

Product code **846315548** | Height **900 mm**

| 900 mm | Ø114 mm | Galvanised | Any RAL |
|---|---|---|---|
| above ground | diameter | mild steel | coating on request |

## Overview

An ornamental steel bollard for town centres, pedestrian areas, pavements, car parks and public spaces. Its decorative detailing gives a traditional, considered look while still keeping vehicles back.

The bollard is made from mild steel tube, then galvanised for long life, with a decorative cap and rings welded on to complete the design. Choose a galvanised finish, or galvanised and powder coated in black or any RAL colour.

## Key features

- **Decorative design** double collar top
- **Galvanised mild steel** for long life
- **Three fixings** concrete in, bolt down or removable
- **Black or any RAL** powder coat on request
- **Eyelets, hooks and chains** available for linking bollards
