CYCLE STANDS

Economy Sheffield Cycle Stand – Galvanised

A slim, cost-effective galvanised Sheffield-style stand, 340 mm wide, root fixed or bolt down.

Product code **22892668**

Bikes **2 per stand**

340 mm	48 mm	8 kg	Galvanised
wide	tube	weight	steel

Overview

The tubular Sheffield stand is the most widely recommended cycle stand in the UK. Each stand secures two bikes, and riders can lock the frame and a wheel with their own lock.

This economy version is a slimmer 340 mm wide hoop in 48 mm galvanised tube, with a black powder coated option.

Key features

- **Slim design** fits tight spaces
- **Galvanised steel** for long life
- **Black powder coat** option
- **Root fixed or surface mounted** options
- **Cost effective** choice

Where it is used

Schools, offices, shops, retail and business parks, stations, leisure centres, hospitals and housing developments.

Root fixed or surface mounted?

Root fixed stands are concreted into the ground, the strongest option for new paving.

Surface mounted stands bolt down onto an existing concrete base.
