STEEL BENCHES

Economy Steel Perch Bench

A strong all-steel perch rail, 1000 or 1500 mm long, for bus stops, shelters, stations and market places.

Product code **29633174** | Finish **Galvanised**

1000 / 1500	700 mm	48 mm	Galvanised
lengths, mm	height	diameter legs	mild steel

Overview

A hard wearing outdoor perch bench for wherever a tough, comfortable and good looking seat is needed. Its simple, traditional design suits busy public spaces such as schools, parks and playgrounds.

Users simply lean against the rail for a short rest. Choose galvanised, or galvanised and powder coated in any BS or RAL colour.

Key features

- **Galvanised mild steel** for long life outdoors
- **Two lengths** 1000 or 1500 mm
- **Lean-on perch** at 700 mm high
- **Very small footprint** for busy pavements
- **Powder coated colours** in any RAL shade

Where it is used

Schools, parks, playgrounds, town centres, retail and business parks, and other busy public spaces.

Powder coated colours can be matched to a school, brand or local scheme.

Why a perch bench?

Users lean against the rail rather than sitting down, which suits short waits at bus stops, shelters, stations and market places, and takes up little pavement space.
