CHILDREN'S BINS

Emoji Recycling & Litter Bin

Happy and sad face bins from 60 to 70 litres that teach children to sort their waste without a word of explanation.

Product code **164628354** | Capacity **60 to 70 litres**

Overview

Children already know what a smiley face and a sad face mean. Recyclables go in the happy bins, and rubbish that cannot be recycled goes in the sad one.

Each bin is moulded from tough UV stabilised polyethylene, so it stands up to a playground and does not fade in the sun.

Key features

- **Happy and sad faces** easy to understand
- **Recycling labels** paper, mixed, plastics
- **Plain litter bin** yellow face option
- **Three liners** sack, plastic or steel
- **Lock option** on any version

Where it is used

Primary schools, nurseries, dining halls, playgrounds, libraries and family areas.

How it works

Recyclables go in the happy bins, and anything that cannot be recycled goes in the sad one.
