RECYCLING BINS

EnviroStack Stacking Recycling Bin

Stacking recycling units only 400 mm wide, sorting up to three waste streams in the space of one bin.

Product code **508181286**

Capacity **32 to 104 litres**

400 mm	333 mm	6	Up to 3
wide	deep	sizes	streams

Overview

Recycling for places where floor space is tight. Each unit is only 400 mm wide and 333 mm deep, and they stack, so you can sort two or three streams in the space of one bin.

Every unit has its own aperture, WRAP label and sack retention, so each bag lifts out on its own.

Key features

- **Stacks** 2 or 3 high
- **Narrow footprint** 400 × 333 mm
- **Own aperture** per unit
- **WRAP labels** colour coded
- **Separate sacks** lift out individually

Where it is used

Office kitchens, corridors, classrooms, staff rooms and small shops.

Ordering

Tell us which waste streams you want on each unit when you order.
