Overview

A sturdy, modern stand formed from flat steel, with clean lines that enhance the street scene. Bikes can park on both sides.

Choose the plain version or the version with a cross bar; a further version adds plastic-coated clamps for five scooters, which lock with a chain or cable.

Key features

- **Formed flat steel** 70 × 10 mm
- **Bikes and scooters** in one stand
- **Both sides** parking
- **Cross bar** option
- **Anthracite finish** option

Where it is used

Schools, offices, shops, retail and business parks, stations, leisure centres, hospitals and housing developments.

Bikes and scooters

The cross bar version can carry scooter clamps, so one stand serves both bikes and scooters at schools and stations.
