TRAFFIC MANAGEMENT

Flexible Verge Marker

A UV-stabilised polyethylene verge marker, 997 mm above surface, with shatterproof red and white reflectors.

Product code **84754818** | Above surface **997 mm**

997 mm	100 mm	Class 1/2	Recyclable
visible	wide	reflectors	PE

Overview

Flexible verge markers are a safe, effective way of highlighting road edges, bends and junctions.

Made from recyclable polyethylene, they withstand vehicle impact, and their design reduces injury to motorists, cyclists and pedestrians.

Key features

- **Flexible** withstands impact
- **Shatterproof reflectors** red and white
- **UV-stabilised PE** long life
- **Recyclable** polyethylene
- **Safer design** for road users

Where it is used

Car parks, private roads, industrial estates, depots, events and temporary traffic management.

Where to use them

Mark bends, verges, junctions and site entrances so drivers can see the road edge.
