PARKING POSTS

Fold-Down Lockable Parking Post – Push Lock

A 60 mm fold-down parking post with a push-in integral lock, in galvanised, yellow or stainless steel finishes.

Product code **94893131** | Clearance **110 mm**

60 mm	Push	3	110 mm
tube	lock	finishes	clearance

Overview

This push-lock fold-down post is ideal for reserving individual parking spaces, and as a visual deterrent at driveways.

To lower it, turn the key and the lock barrel releases. The post is relocked by pushing the barrel back in.

Key features

- **Push-in integral lock** 2 keys supplied
- **Three finishes** galvanised, yellow or stainless
- **60 mm tube** robust design
- **Reflective label** for visibility
- **110 mm clearance** when folded

Where it is used

Private driveways, residential and office car parks, garages, depots and reserved or allocated parking bays.

Keyed alike or different?

If you are ordering several posts, choose **keyed alike** so one key opens them all, or **keyed differently** for separate users.
