PARKING POSTS

Foldaway Coffin Parking Post

A heavy duty 60 mm folding post, 580 mm high, that folds into a flat coffin housing, in galvanised or stainless steel.

Product code **37350305** | Height **580 mm**

580 mm	60 mm	2	Spring
high	post	finishes	assisted

Overview

The foldaway coffin post folds down into a flat housing so cars can drive over it, then lifts and locks to protect the space.

It is internally spring assisted, lockable in the up and down positions, and uses rust-free non-ferrous locks.

Key features

- **Folds into housing** low profile when down
- **Spring assisted** easy lifting
- **Locks up and down** non-ferrous, rust free
- **Galvanised or stainless** finishes
- **100 mm clearance** when folded

Where it is used

Private driveways, residential and office car parks, garages, depots and reserved or allocated parking bays.

Why fold-down?

A fold-down post lies flat for the driver to park over it, then is raised and locked to reserve the space.
