STEEL BENCHES

Gretton Steel Bench 600

A wide 1200 mm backless steel bench with box-section slats, 645 mm deep, that can be sat on from both sides.

Product code **31626526** | Finish **Galvanised**

1200 mm	645 mm	480 mm	55 kg
overall length	seat width	seat height	weight

Overview

A hard wearing outdoor backless bench for wherever a tough, comfortable and good looking seat is needed. Its simple, traditional design suits busy public spaces such as schools, parks and playgrounds.

Made from galvanised mild steel, it keeps its looks for years with little maintenance. Choose plain galvanised or galvanised and powder coated in any RAL colour.

Key features

- **Galvanised mild steel** for long life outdoors
- **Extra wide 645 mm seat** usable from both sides
- **Box-section slats** with plastic end caps
- **Root fixed or surface mounted** options
- **Powder coated colours** in any RAL shade

Where it is used

Schools, parks, playgrounds, town centres, retail and business parks, and other busy public spaces.

Powder coated colours can be matched to a school, brand or local scheme.

Root fixed or surface mounted?

Root fixed legs are concreted into the ground, the strongest choice for new paving or groundworks.

Surface mounted versions have flange plates that bolt down onto an existing concrete base.
