STEEL BENCHES

Gretton Steel Bench Seat with Back

A 1200 mm steel bench seat with backrest and box-section slats, for schools, parks and other busy public spaces.

Product code **99688104** | Finish **Galvanised**

1200 mm	833 mm	500 mm	44 kg
overall length	overall height	seat height	weight

Overview

A hard wearing outdoor bench seat with backrest for wherever a tough, comfortable and good looking seat is needed. Its simple, traditional design suits busy public spaces such as schools, parks and playgrounds.

Made from galvanised mild steel, it keeps its looks for years with little maintenance. Choose plain galvanised or galvanised and powder coated in any RAL colour.

Key features

- **Galvanised mild steel** for long life outdoors
- **Backrest** for extra comfort
- **Box-section slats** with plastic end caps
- **Root fixed or surface mounted** options
- **Powder coated colours** in any RAL shade

Where it is used

Schools, parks, playgrounds, town centres, retail and business parks, and other busy public spaces.

Powder coated colours can be matched to a school, brand or local scheme.

Root fixed or surface mounted?

Root fixed legs are concreted into the ground, the strongest choice for new paving or groundworks.

Surface mounted versions have flange plates that bolt down onto an existing concrete base.
