Overview

A smart, slatted steel litter bin for high-traffic public spaces including busy streets and parks. Its clean, minimal design matches the Gretton range of benches.

It comes with a galvanised steel liner, and the base can be bolted down. Choose galvanised, galvanised and powder coated in any RAL colour, or stainless steel.

Key features

- **Slatted square body** with a modern look
- **Three capacities** 45, 75 or 90 litres
- **Galvanised steel liner** included
- **Bolt-down base** for security
- **Stainless steel** or any RAL colour

Where it is used

High streets, parks, schools, shopping centres, retail parks and other busy public places.

Choosing a size

45 litres suits quieter spots and walkways.

75 litres is a good all-rounder.

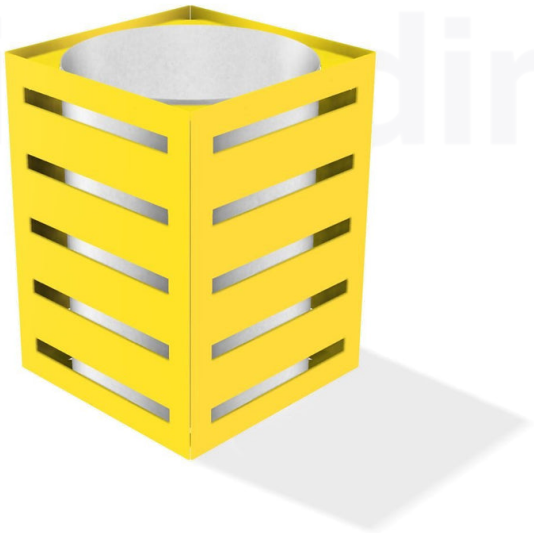

90 litres suits busy high streets and parks where emptying is less frequent.
