Overview

A hard wearing outdoor picnic table bench for wherever a tough, comfortable and good looking seat is needed. Its simple, traditional design suits busy public spaces such as schools, parks and playgrounds.

The table and both seats share one frame, so the unit stays in line and is hard to move. Supplied galvanised, galvanised and powder coated, or in stainless steel.

Key features

- **Galvanised mild steel** for long life outdoors
- **Table and seats in one** on a joined frame
- **Seats six to eight** adults
- **Stainless steel** option
- **Powder coated colours** in any RAL shade

Where it is used

Schools, parks, playgrounds, town centres, retail and business parks, and other busy public spaces.

Powder coated colours can be matched to a school, brand or local scheme.

Choosing a finish

Galvanised is hard wearing and low maintenance.

Galvanised and powder coated adds colour in any RAL shade.

Stainless steel gives a premium, bright finish for town centres and prestige sites.
