BIN STORES

Harby Bin Store

A free-standing, open-fronted galvanised steel bin store with a curved roof, 2 m deep and 1 m to 5 m wide.

Product code **82013837** | Size **1 m to 5 m wide**

1–5 m	2 m	2096 mm	Galvanised
widths	deep	clear height	steel

Overview

The Harby bin store is a free-standing, open-fronted shelter that keeps wheelie bins, recycling bins and other items under cover and out of sight. It is a cost-effective way to tidy up a bin area.

It is built from a 50 mm square mild steel frame with 1 mm galvanised steel panels and a curved galvanised roof, on pre-fixed feet for bolting down.

Key features

- **Curved galvanised roof** keeps bins dry
- **Open front** for easy access
- **Steel box-section frame** 50 mm square
- **Five widths** 1 m to 5 m, plus extensions
- **Bolt-down feet** pre-fixed

Where it is used

Businesses, pubs, clubs, schools, housing and commercial sites that need wheelie bins or other items kept tidy and under cover.

Choosing a size

The store is 2 m deep and comes in widths from **1 m to 5 m**, with extensions for longer runs. Choose the width to suit the number and size of bins you need to store.
