BIN AND STORAGE SHELTERS

Harby Storage Shelter

A free-standing open-fronted galvanised steel storage shelter with a curved steel roof and side panels, 2 m deep.

Product code **48132432** | Depth **2 m**

1–5 m	2 m	2096 mm	Galvanised
wide	deep	clearance	steel

Overview

The Harby is a versatile free-standing storage shelter in galvanised mild steel with a galvanised sheet roof and side panels.

Its front-to-back curved roof sheds water, and its open front gives easy access for storage, cycle parking or bins.

Key features

- **Open front** easy access
- **Curved steel roof** sheds water
- **Galvanised steel** minimal maintenance
- **Five sizes** 1 to 5 m wide
- **Multi-use** storage, bins or bikes

Where it is used

Shops, supermarkets, restaurants, pubs, offices, schools, hospitals, housing blocks and industrial units.

Need a longer run?

Extension bays can be added to reach the length you need, and units can be joined to cover larger areas.
