WHEEL STOPS

Heavy Duty HGV Wheel Stop – Recycled Rubber

A heavy duty recycled rubber wheel stop for HGVs and coaches, 1000 × 300 × 150 mm, with a yellow band and drainage channels.

Product code **77348267**

Size **1000 × 300 × 150 mm**

1000 mm	150 mm	HGV	5 bolts
long	high	rated	supplied

Overview

A premium, harder-wearing wheel stop for managing the parking of HGVs, trucks and coaches. It protects buildings, walls, fencing and planting around warehouses and industrial sites.

It is moulded from recycled rubber, with drainage channels and a cable channel up to 25 mm, and a bright yellow band along the top for visibility. Fixings for concrete or tarmac are supplied, or it can be glued down.

Key features

- **Heavy duty** for articulated lorries
- **Recycled rubber** hard wearing
- **Yellow top band** high visibility
- **Drainage and cable channels** moulded in
- **Fixings** supplied

Where it is used

Warehouses, distribution centres, ferry terminals, coach parks and HGV parking bays.

Height matters

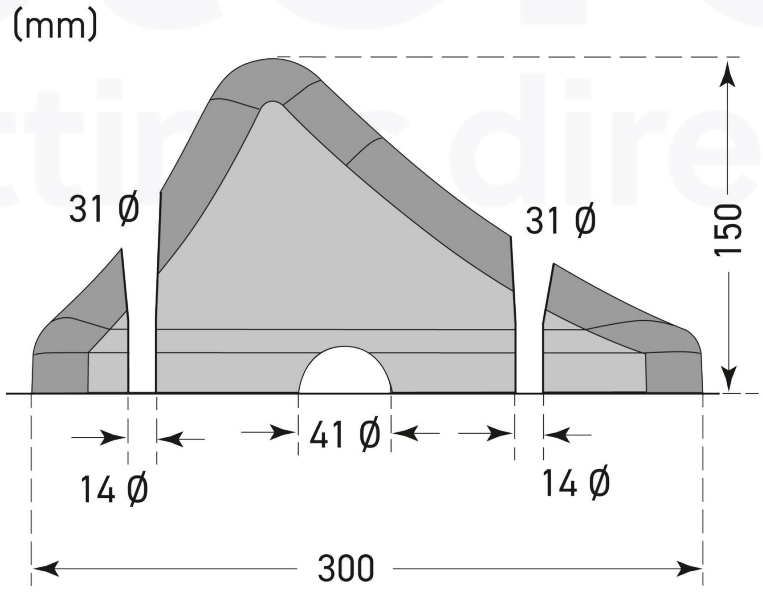

150 mm is the usual height for artic trailer bays. Use two stops per bay, set square, so lowered mudguards and suspension do not catch.
