PROTECTION BOLLARDS

# Heavy Duty Service Yard Bollard

A heavy duty yellow and black steel bollard, from 90 to 323 mm diameter, to protect warehouses and service yards from vehicle damage.

Product code **23402974** | Diameter **90–323 mm**

| 90–323 | 1200 mm | Yellow/black | 2 fixings |
|---|---|---|---|
| diameters, mm | height above ground | hi-vis finish | surface or sub-surface |

## Overview

A heavy duty bollard for warehouses and service yards, where lorries, vans and forklifts can damage buildings, doors and equipment.

It is galvanised and powder coated in high-visibility yellow and black with a domed aluminium cap, in five diameters up to 323 mm for the heaviest traffic.

## Key features

- **Five diameters** 90, 159, 194, 273 and 323 mm
- **Galvanised and powder coated** yellow and black
- **Domed aluminium cap** sandblasted
- **Surface or sub-surface** fixing
- **6.3 mm wall** on the 323 mm bollard

## Where it is used

Loading bays, warehouse doors, racking ends, service yards, plant rooms and building corners.

## Choosing a size

Use larger diameters where heavier vehicles manoeuvre. The 273 and 323 mm bollards suit lorry yards and loading docks.

Heavy duty bollard protecting a building corner.
