striped

Eyebolts
supplied

Overview

A height restriction bar warns drivers of a height limit ahead. It suits car parks, construction sites, warehouses and anywhere access needs restricting.

It is made from 76 mm diameter aluminium, striped yellow and black as standard, or red and white. It is supplied with eyebolts, and a hanging chain is available as an extra.

Key features

- **76 mm aluminium tube** light and strong
- **Hi-vis stripes** yellow/black or red/white
- **Widths** 2 to 6 m, half sizes available
- **Eyebolts** supplied
- **Chain** available as an extra

Where it is used

Car park entrances, multi-storey car parks, construction sites and warehouses.

Use appropriate height warning signs with the bar.

Warning bar or restrictor?

A hanging bar **warns** drivers before they reach a low structure. A steel height restrictor **physically stops** tall vehicles.
