HEIGHT RESTRICTION

Height Restrictor – Suspended

A lightweight 950 mm reflective polyethylene height restrictor, hung on two 2 m galvanised chains.

Product code **75271168** | Length **950 mm**

950 mm	100 mm	Reflective	2 m
long	diameter	bands	chains

Overview

This plastic height restrictor warns drivers of restricted height ahead. It is lightweight, which minimises damage to vehicles.

Reflective bands make it clearly visible day and night, and it has no sharp edges.

Key features

- **Lightweight PE** minimises vehicle damage
- **Reflective bands** red/white or yellow/black
- **No sharp edges** safer design
- **Two 2 m chains** galvanised
- **Day and night** visibility

Where it is used

Car parks, buildings with low clearance, warehouses, loading bays and construction sites.

Why a warning bar?

A hanging bar touches a high vehicle before it reaches the real obstruction, giving the driver warning.

Yellow/black version.
