Overview

A compact, hard wearing litter bin for schools, retail sites and garage forecourts, inside or outside.

Four-way apertures give all-round access, and the tamper-resistant hood lifts off for emptying. It is made from UV grade, colourfast plastic in a choice of colours.

Key features

- **Hooded design** keeps rain out
- **Four-way apertures** for all-round access
- **Tamper-resistant lock** on the hood
- **Lift-off hood** for easy emptying
- **UV stable plastic** colourfast for years

Where it is used

Schools, retail parks, garage forecourts, parks and public spaces, inside or outside.

Choosing a size

60 to 95 litres suits schools and smaller sites.

117 to 140 litres is a good all-rounder for forecourts and retail.

150 litres suits the busiest sites where emptying is less frequent.
