ILLUMINATED BOLLARDS

Illuminated Bollard – 139 mm

A commercial-grade illuminated bollard that lights paths and marks boundaries in public spaces, campuses and hotel grounds.

Product code **67408388** | Height **1000 mm**

1000 mm	Ø139 mm	2600 lm	6500 K
above ground	diameter	luminous flux	lamp colour

Overview

A commercial-grade illuminated bollard for busy public spaces such as city squares, parks, university campuses, hotel grounds and pedestrian zones.

The built-in light improves visibility and wayfinding at night, while the bollard marks boundaries and keeps vehicles back. It is built for durability and low maintenance.

Key features

- **Integrated lighting** for paths and boundaries
- **2600 lumens** 6500 K lamp
- **Commercial grade** for high-traffic areas
- **Concrete in** fixing
- **Low maintenance**

Where it is used

City squares, parks, campuses, hotel grounds, car parks and pedestrian zones.

Why illuminated?

Lit bollards guide people safely at night and make boundaries clear to drivers, without the need for separate lighting columns.

The illuminated head.
