Overview

A slim, compact recycling bin for offices and other indoor spaces, perfect for medium volumes of waste. Use one at a desk side or group several together as a recycling point.

The black base is made from up to 100% recycled material. A sturdy double-wall lid lifts off for cleaning, and the lids are interchangeable, so a bin can be switched to a different waste stream.

Key features

- **Slim, space-saving** design
- **Interchangeable lids** in WRAP colours
- **Sack retaining feature** hides the bag
- **Double-wall lid** strong and rigid
- **Recycled base** up to 100% recycled material

Where it is used

Offices, schools, colleges, hospitals, canteens, reception areas and other busy indoor spaces.

Colour-coded recycling

The colour-coded apertures and labels follow WRAP guidance, so people can see at a glance which bin to use. Group several bins together to make a complete recycling point.
