Where it is used

Schools, offices, shops, retail and business parks, stations, leisure centres, hospitals and housing developments.

Root fixed or surface mounted?

Root fixed stands are concreted into the ground, the strongest option for new paving.

Surface mounted stands bolt down onto an existing concrete base.

Junior stands with children's bikes.

Talk to someone who sells this every day

Tell us how many bikes or scooters you need to park and where, and we will help you choose the right stands.
