FLOOR MARKING

Line Marking Paint and Accessories

Line marking paint, wheeled applicators, stencils, chalk lines and anti-slip floor paint for marking floors and car parks.

Range **7 products**

50–130	50–90 m	8	R10
mm lines	per can	colours	anti-slip paint

Overview

Line marking paint gives fast, hard-wearing lines on concrete, asphalt, tarmac, metal and tiles, indoors and out.

Use a wheeled applicator for straight, even lines, stencils for letters and numbers, a chalk line to set out, and anti-slip floor paint to coat whole areas.

Key features

- **Fast-drying paint** abrasion and chemical resistant
- **Wheeled applicators** for 50 to 130 mm lines
- **Stencil sets** letters and numbers
- **Chalk line** for straight set-out
- **Anti-slip floor paint** R10 rated

Where it is used

Warehouses, factories, car parks, playgrounds, sports areas, yards and roadways.

Paint or tape?

Paint suits outdoor areas and rough floors. Tape is quicker to lay indoors and can be lifted when the layout changes.
