Overview

The larger version of our office recycling station, holding 110 litres across up to three waste streams in a 600 mm wide unit.

An A3 sign kit is included, and each section has its own sack retention so bags lift out separately.

Key features

- **110 litres** larger capacity
- **Up to 3 streams** in one unit
- **A3 sign kit** included
- **Liquids section** option
- **Separate sacks** per section

Where it is used

Busy office floors, canteens, universities, hospitals and public buildings.

Choosing a layout

Sections are split 30/40/30 or 70/30. Tell us your streams and we will suggest the best layout.
