Overview

This mobile trolley park suits small stores with limited space. It moves on lockable castors, so it can sit inside or outside wherever it is needed.

It is robust enough for constant use and bad weather, with rounded inserts on the arms and harness rails included.

Key features

- **Lockable castors** easy to move
- **Galvanised or stainless** finish options
- **Harness rails** included
- **About 10 trolleys** 2 m long
- **No groundworks** free standing

Where it is used

Supermarkets, convenience stores, garden centres, DIY stores and retail park car parks.

Why mobile?

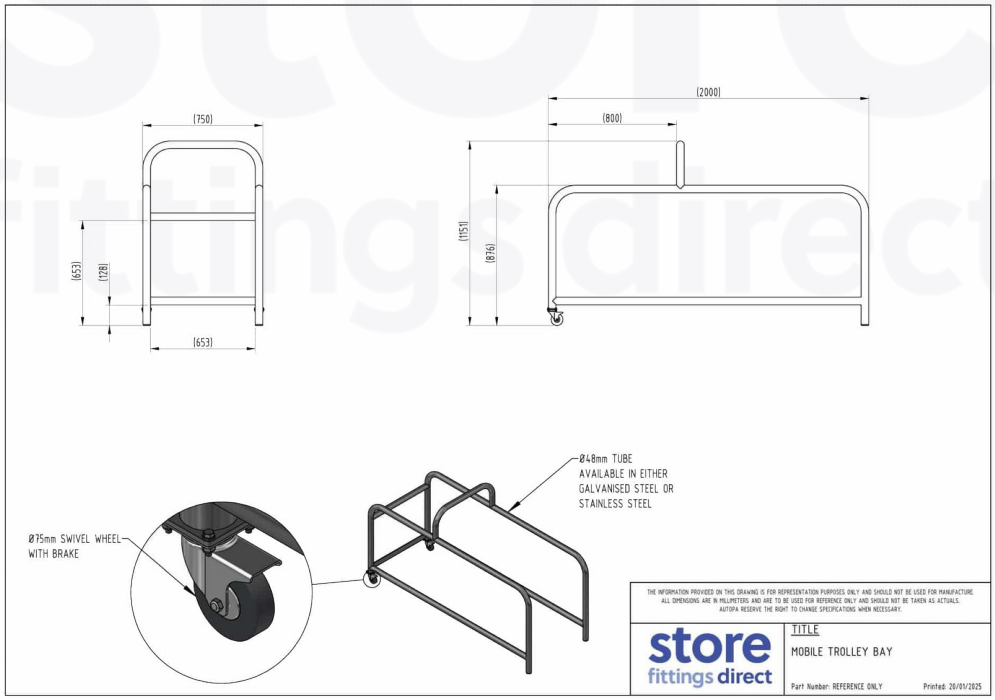

It can be moved inside at night or repositioned as the store layout changes.
