PLASTIC BOLLARDS

Recycled Plastic Bollard Replacement Sleeve

A replacement recycled plastic sleeve for our recycled plastic bollards with steel core.

Product code **83876860** | Diameter **126 mm**

Ø126 mm	1000 mm	3 bands	Recycled
sleeve	overall height	white reflective	plastic

Overview

A replacement sleeve for our recycled plastic bollards with a steel core. If a sleeve is damaged, it can be replaced on its own without replacing the core.

The sleeve is made from hard-wearing recycled plastic, including offcuts and waste from manufacture.

Key features

- **Replacement sleeve** fits our steel core bollards
- **Recycled plastic** hard wearing
- **3 reflective bands** white
- **Black** standard colour

Where it is used

Replacing damaged sleeves on existing recycled plastic bollards in car parks and walkways.

Why replace the sleeve?

Replacing just the sleeve is quicker and cheaper than a whole new bollard, because the steel core stays in place.

Replacement sleeve.
