Overview

An attractive litter bin with a top cover that keeps rain out, designed to complement our recycled plastic benches, tables and planters in parks, schools and public spaces.

Made to order from 100% recycled plastic, it is weatherproof and non-absorbent, so it will not rot, split or splinter and never needs painting or treating. It is fully recyclable at the end of its life.

Key features

- **100% recycled plastic** fully recyclable
- **Weatherproof** non-absorbent, will not rot or splinter
- **No maintenance** no painting or treating
- **Top cover** keeps rain out

Where it is used

Schools, parks, gardens, public squares, pub gardens, staff break areas, leisure centres and golf courses.

Why recycled plastic?

Timber needs treating every year or two and can rot, split and splinter. Recycled plastic does not absorb water, so it will not rot or crack, and there is no painting or treating to do. Just wipe or jet wash it clean.

It also helps organisations meet sustainability and recycling targets, and is fully recyclable at the end of its life.
