Overview

A picnic table with attached benches and an extended table top at one end, so a wheelchair user can pull up and sit at the table with everyone else. It suits schools, parks, public spaces and leisure centres.

Made to order from 100% recycled plastic, it is weatherproof and non-absorbent, so it will not rot, split or splinter and never needs painting or treating. It is fully recyclable at the end of its life.

Key features

- **100% recycled plastic** fully recyclable
- **Weatherproof** non-absorbent, will not rot or splinter
- **No maintenance** no painting or treating
- **Wheelchair access** at one end
- **Attached benches** both sides

Where it is used

Schools, parks, gardens, public squares, pub gardens, staff break areas, leisure centres and golf courses.

Why recycled plastic?

Timber needs treating every year or two and can rot, split and splinter. Recycled plastic does not absorb water, so it will not rot or crack, and there is no painting or treating to do. Just wipe or jet wash it clean.

It also helps organisations meet sustainability and recycling targets, and is fully recyclable at the end of its life.
