PLASTIC BOLLARDS

Recycled Plastic Square Bollard – Chamfer Top

A square recycled plastic bollard with a chamfered top, in black or brown, for marking and guiding in public spaces.

Product code **80644497** | Colour **Black or brown**

140 mm	1440 mm	Chamfered	Recycled
square	overall length	top	plastic

Overview

A light and medium duty bollard for use as a decorative marker or guide post in streets, car parks, rural areas and public places.

Recycled plastic is a great alternative to timber: it will not rot, splinter or need treating. A banded version is also available.

Key features

- **Recycled plastic** will not rot or splinter
- **Chamfered top**

Where it is used

Streets, car parks, rural areas, parks and other public places.

Why recycled plastic?

It looks like timber but needs no maintenance, and it makes use of waste plastic.

Earth brown recycled plastic finish.
