PARKING POSTS

# Removable Hitch Post

A 62 mm removable hitch post with a 50 mm tow ball, 415 mm high, to lock caravans and trailers in place.

Product code **76195471** | Above ground **415 mm**

| 415 mm | 62 mm | 50 mm | Padlock |
|---|---|---|---|
| high | post | tow ball | included |

## Overview

This removable hitch post helps deter theft of trailers and caravans. Hitch the trailer onto the tow ball and fit a lockable hitch lock.

The post sits in a spigot base set in concrete and lifts out when not needed.

## Key features

- **50 mm tow ball** suits standard hitch locks
- **Removable** post lifts out
- **Spigot base** set in concrete
- **High-security padlock** included
- **Zinc plated** 62 mm round post

## Where it is used

Driveways, yards, farms and storage areas for caravans, trailers and horseboxes.

## Why a hitch post?

With the trailer hitched and locked to a fixed post, it cannot be towed away.
