Overview

This removable post is ideal for reserving parking spaces and restricting access to driveways.

It sits in a socket set in the ground and lifts out when access is needed. A padlock option secures it in place.

Key features

- **Removable** lifts out of socket
- **900 mm high** clearly visible
- **76 mm tube** 3 mm wall
- **Padlock option** to secure
- **Finishes** yellow, black or galvanised

Where it is used

Private driveways, residential and office car parks, garages, depots and reserved or allocated parking bays.

Why removable?

A removable post leaves only a flush socket when lifted out, so the area is clear for vehicles.
