PARKING POSTS

Removable Parking Post with High-Security Padlock

A 76 mm removable parking post, 900 mm above ground, secured with a high-security sliding bolt padlock.

Product code **70214981** | Above ground **900 mm**

900 mm	76 mm	High	2
high	diameter	security	finishes

Overview

This removable security post is ideal for reserving parking spaces and restricting access to driveways.

It sits in a socket set in the ground and is secured with a high-security sliding bolt padlock.

Key features

- **High-security padlock** sliding bolt type
- **Removable** lifts out of socket
- **900 mm high** clearly visible
- **76 mm tube** 3 mm wall
- **Galvanised or black** finishes

Where it is used

Private driveways, residential and office car parks, garages, depots and reserved or allocated parking bays.

Why removable?

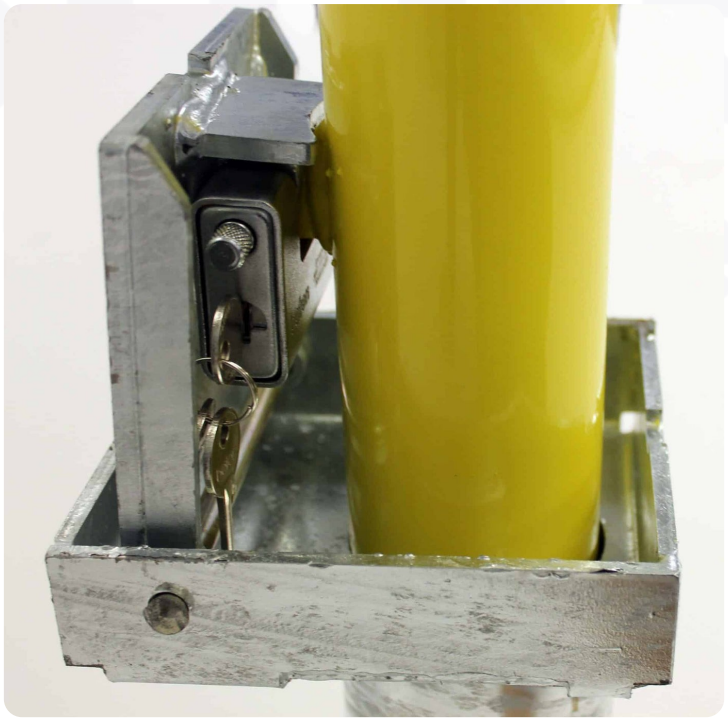

A removable post leaves only a flush socket when lifted out, so the area is clear for vehicles.
