Overview

This shelter is configured as a teen shelter, giving a covered area for waiting, outdoor dining or activities.

It is built to the same standards as our cycle shelters, with options for finish, fixing type and end panels. Optional seats and benches can be added.

Key features

- **4 × 2 m** covered area
- **Multi-use** waiting, dining, activities
- **PETG UV2 sheeting** clear and durable
- **Optional end panels** for exposed sites
- **Benches** available separately

Where it is used

Schools, nurseries, colleges, leisure centres, hospitals, offices and public buildings.

Root fixed or surface mounted?

Root fixed legs are concreted into the ground, the strongest option for new groundworks.

Surface mounted shelters bolt down onto an existing concrete base. Both options are available.
