SCOOTER RACKS

Scooter Parking Stand

A modern galvanised and coated steel post with two height-adjustable clamps, for parking two scooters.

Product code **36996174** | Capacity **2 scooters**

2	800 mm	80 × 80	Adjustable
scooters	post height	post, mm	clamps

Overview

An elegant, practical stand for two scooters, including electric scooters, for schools, public buildings and businesses.

The steel post is hot-dip galvanised and coated anthracite iron mica, with black clamps that adjust in height and slots for a chain or cable lock.

Key features

- **Two scooters** per stand
- **Adjustable clamps** 150 to 690 mm
- **Chain or cable** lock slots
- **Galvanised and coated** anthracite
- **Electric scooters** suitable

Where it is used

Schools, public buildings, offices, shops and stations.

Electric scooters

The clamps take the stems of standard and electric scooters, and the slots let riders add their own chain or cable lock.
