CYCLE SHELTERS

Secure Bike Shelter Compound – Lockable

A lockable steel bike compound with Sheffield toast racks, end panels, gate and fixed back, in a choice of finishes.

Product code **53790785** | Capacity **Up to 20 bikes**

20	50 × 50	Lockable	3
bikes	mm frame	gate	finishes

Overview

This bike enclosure gives secure, covered space using Sheffield toast rack style storage. It suits schools, workplaces and residential sites.

It is built from 50 × 50 mm steel strongbox section with PETG roof and back sheeting, end panels, a gate and a fixed back for better security.

Key features

- **Lockable gate** and fixed back
- **Sheffield toast racks** space-efficient storage
- **3 mm or 5 mm PETG** roof and back sheeting
- **End panels** for weather protection
- **Root fixed or surface mounted** both available

Where it is used

Schools, colleges, offices, hospitals, leisure centres, retail parks, stations and residential developments.

Root fixed or surface mounted?

Root fixed legs are concreted into the ground, the strongest option for new groundworks.

Surface mounted shelters bolt down onto an existing concrete base. Both options are available.
