PARKING POSTS

Semi-Automatic Drop-Down Security Post

An anodised aluminium semi-automatic drop-down post, 950 mm high, that lowers to 75 mm for vehicles to drive over.

Product code **96239394** | Height **950 mm**

950 mm	75 mm	Aluminium	Semi
high	lowered	anodised	automatic

Overview

This drop-down post protects vehicles against theft in private car parks and at commercial properties.

It has an elegant, simple design in natural anodised aluminium, with red reflective strips and a mortise cylinder lock.

Key features

- **Semi-automatic** operation
- **Anodised aluminium** smart and corrosion free
- **Mortise cylinder lock** keyed alike or individually
- **Red reflective strips** for visibility
- **75 mm** drive-over height

Where it is used

Private driveways, residential and office car parks, garages, depots and reserved or allocated parking bays.

Keyed alike or different?

If you are ordering several posts, choose **keyed alike** so one key opens them all, or **keyed differently** for separate users.
