CYCLE STANDS

# Sheffield Bilton Cycle Stand

A Sheffield cycle stand with a low-level sign plate that doubles as a tapping rail, for busy public areas.

Product code **27242912**

Bikes **2 per stand**

| 750 mm | Sign | 48 mm | 3 finishes |
|---|---|---|---|
| high | plate | tube | galv, colour, stainless |

## Overview

A Sheffield stand designed for high-footfall public areas. A sign plate set 100 mm above the ground doubles as a tapping rail, so the stand is easy to detect with a cane.

It is supplied galvanised and root fixed as standard, with flanged, powder coated (black as standard) and stainless steel versions available.

## Key features

- **Low-level sign plate** doubles as tapping rail
- **Easy to see** for visually impaired users
- **Three finishes** including stainless
- **Root fixed or surface mounted** options
- **Two bikes** per stand

## Where it is used

Schools, offices, shops, retail and business parks, stations, leisure centres, hospitals and housing developments.

## Root fixed or surface mounted?

**Root fixed** stands are concreted into the ground, the strongest option for new paving.

**Surface mounted** stands bolt down onto an existing concrete base.
