CYCLE STANDS

Sheffield Toast Cycle Rack – Stainless Steel

A run of 2 to 5 stainless steel Sheffield hoops joined on a base rail, bolted down for extra rigidity.

Product code **82520422**

Bikes **2 per stand**

2–5	800 mm	50 mm	Stainless
hoops	high	tube	steel

Overview

The tubular Sheffield stand is the most widely recommended cycle stand in the UK. Each stand secures two bikes, and riders can lock the frame and a wheel with their own lock.

This rack joins 2 to 5 stainless steel hoops on a base rail at 800 mm centres, and is bolted to the floor for extra rigidity. A galvanised version is also available.

Key features

- **Stainless steel** smart and long lasting
- **Joined hoops** on a base rail
- **Four sizes** 2 to 5 hoops
- **Bolt down** for rigidity
- **Double-sided** parking

Where it is used

Schools, offices, shops, retail and business parks, stations, leisure centres, hospitals and housing developments.

Why a toast rack?

Joining the hoops on a base rail keeps the spacing right and makes a neat, ready-made run of stands.
