SPEED RAMPS

Speed Reduction Ramp – 10 mph

A 50 mm high recycled speed ramp for 10 mph, sold as centre sections with reflectors and male or female end sections.

Product code **83484055**

Speed **10 mph**

10 mph	50 mm	Reflectors	Recycled
speed	high	built in	material

Overview

This modular speed ramp is a cost-effective way to slow traffic to 10 mph. It is made from recycled materials in contrasting colours.

Order centre sections to cover the road width, with end sections to finish each side.

Key features

- **10 mph** 50 mm high
- **Reflectors** for night visibility
- **Modular sections** fit any width
- **Black or yellow** centre sections
- **Fixing bolts** included

Where it is used

Car parks, private roads, retail parks, industrial estates, schools, hospitals and housing developments.

Warning signs

We recommend warning signs are used with speed ramps so drivers can see them in good time.
