SPEED RAMPS

Speed Reduction Ramp – 15 mph

A low 30 mm recycled speed ramp for 15 mph, sold as centre sections with reflectors and end sections.

Product code **44453731**

Speed **15 mph**

15 mph	30 mm	Low	Recycled
speed	high	profile	material

Overview

This low-profile modular ramp is a cost-effective way to slow traffic to 15 mph. It is made from recycled materials in contrasting colours.

Order centre sections to cover the road width, with end sections to finish each side.

Key features

- **15 mph** 30 mm high
- **Low profile** gentle on vehicles
- **Modular sections** fit any width
- **Black or yellow** centre sections
- **Fixing bolts** included

Where it is used

Car parks, private roads, retail parks, industrial estates, schools, hospitals and housing developments.

Warning signs

We recommend warning signs are used with speed ramps so drivers can see them in good time.
