Overview

This square hinged parking post is a padlockable version of the original hinged post, keeping your space available when you need it.

It is made from galvanised mild steel for a long life.

Key features

- **Square 60 mm post** galvanised steel
- **Top lock** padlock secured
- **Three finishes** galvanised, black or yellow
- **Reflective label** for visibility
- **110 mm clearance** when folded

Where it is used

Private driveways, residential and office car parks, garages, depots and reserved or allocated parking bays.

Why fold-down?

A fold-down post lies flat for the driver to park over it, then is raised and locked to reserve the space.
