HERITAGE BOLLARDS

Steel Manchester Bollard

A traditional Manchester-style bollard in galvanised steel with cast iron cap and rings, 1000 mm above ground.

Product code **61918565** | Height **1000 mm**

1000 mm	114 mm	3 fixings	Heritage
above ground	diameter	surface, root or removable	Manchester style

Overview

A traditional Manchester bollard designed to look like its cast iron relative, with decorative banding and a rounded top.

The body is mild steel, galvanised as standard for long life, with cast iron caps and rings welded on to complete the design. Choose galvanised, or galvanised and black.

Key features

- **Classic Manchester style** with decorative banding
- **Galvanised steel body** for long life
- **Cast iron cap and rings** welded on
- **Three fixings** surface mounted, root fixed or removable socket
- **Two finishes** galvanised, or galvanised and black
